

World By the Tail

By Kathy Keats, The Agility Coach

May was an amazing month for exciting agility! In honor of that, these sequences are variations on challenges from the 2014 World Agility Open, which was held in Lignano, Italy. Can you find the course that was the inspiration for these sequences? <http://www.worldagilityopen.com/courses.html>

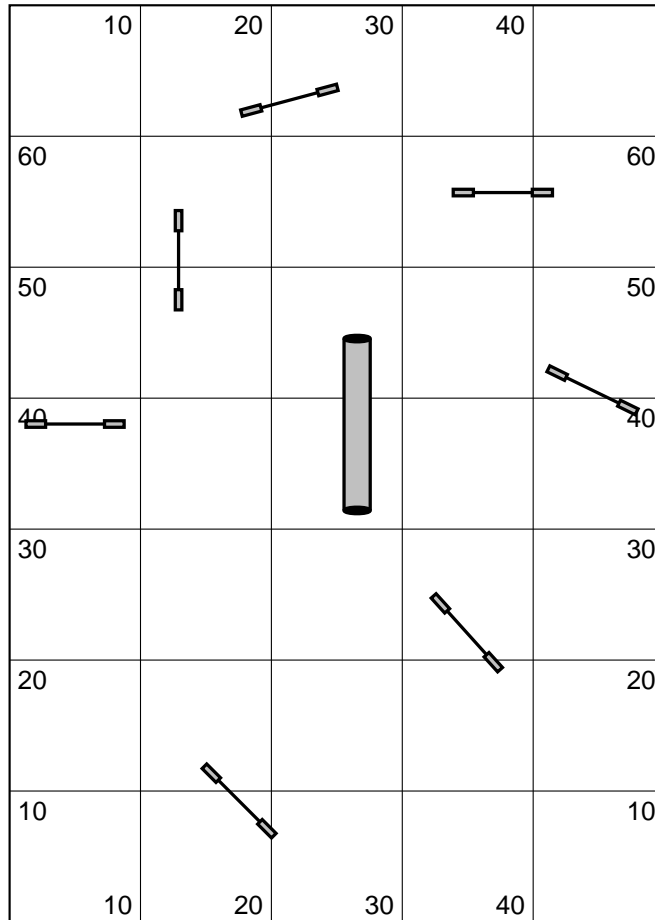

Have fun!

Want more of these types of challenges? Sign up for my four weeks of World Level Challenges at www.theagilitycoach.ca and Like me on Facebook at www.facebook.com/theagilitycoach for a free e-book!

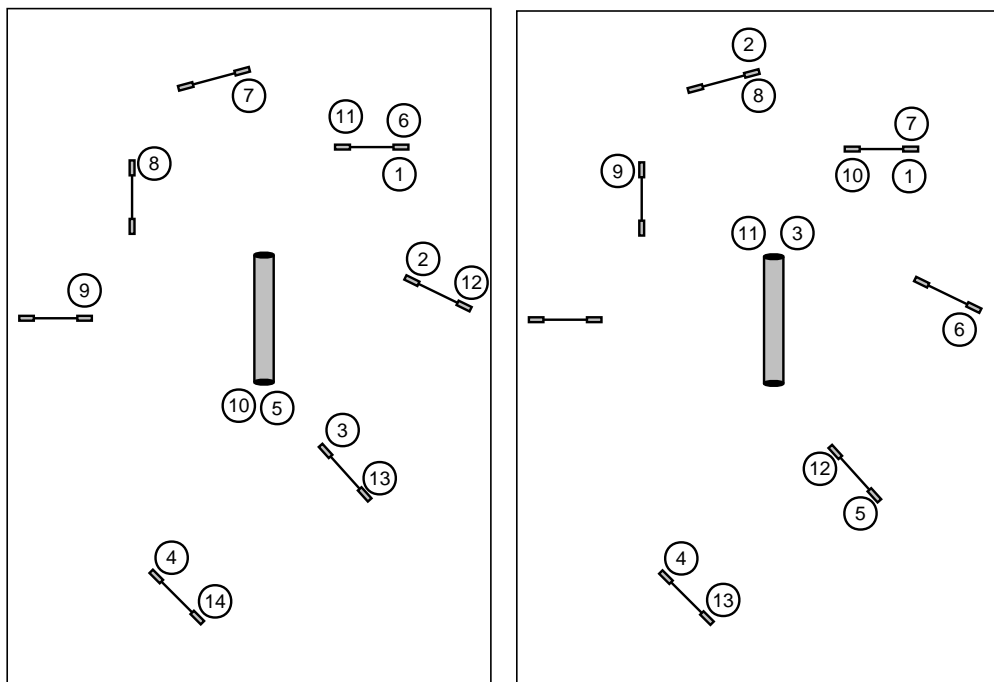

Not happy with the turns you get in these drills? Check out my newest free training on teaching collection at <http://theagilitycoach.ca/teaching-collection-landing!>
