ADD-ON SEESAW GRIP FEET

INSTALLATION INSTRUCTIONS

Included in this kit:

- 4x Seesaw Grip Feet
 - 8x Self Tapping Screws
-
- Slide a seesaw grip foot onto each seesaw base foot with the grip pattern facing down.
 - Using a drill with a phillips head drill bit, drill the self-tapping screws through the holes of the feet directly into the aluminum.
 - Repeat process 2x for each foot attachment.
