### The fitting instructions

#### Fitting instructions in five easy steps

1.

Open the K9 Bridle at the two middle rings and fit over your dog's head.

2.

Form a hoop to fit over your dog's nose at the bottom ring.

3.

Attach the safety strap clip to dog's collar.

4.

Close the two top rings together at the dog's head.

5.

Attach your dog lead to both rings then...

**Walkies!**
