

HARNESS FITTING

Putting On

- 1 Open snap buckle.
- 2 Place RIGHT hand over harness **label** on **B** strap.
- 3 Face your dog and place **B** strap over his head and onto his back. The **label** will be on your dog's left side.

4 Strap Adjusting Order for Side Ring Position:

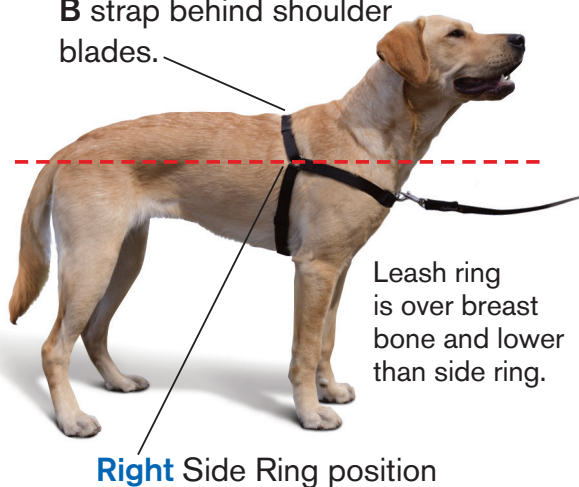

- 1st: Back Strap
- 2nd: Girth Strap
- 3rd: Chest Strap(s)

Do not check Chest strap fit with your hand. Focus on Side Ring position and adjust Chest strap slightly - if at all.

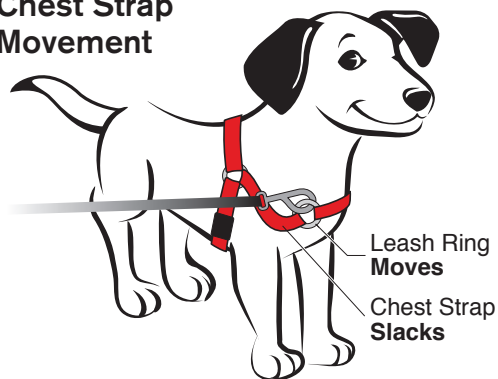

5 Right Fit

B strap behind shoulder blades.

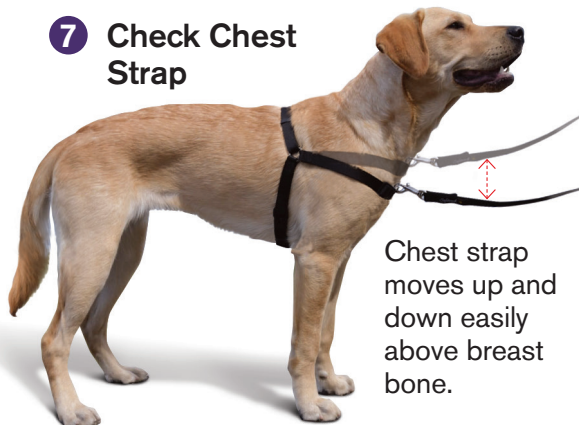

6 Chest Strap Movement

Expect Chest strap to slack and flex. (Non-Restrictive)

7 Check Chest Strap

Clip leash to **TOP** of leash ring. Pull leash upward, then relax leash.
